

Southsea Rowing Club is run by volunteers for its members, and the onus is on *all* members to share the day-to-day running of the club. So please, whatever your skills, get involved. If you have specific skills or equipment that may be of use then please note it below. All members are asked to contribute where needed, for example: bar duties, coaching, cleaning, help at events/regattas, building maintenance and fundraising. If you or your son/daughter would like to get more involved with the running of the club then please speak to a member of the committee. Committee and officer elections take place at the AGM in October each year.
